We are introducing a new fundraiser next year.

Booster Shots will replace the Entertainment books as our kick-off fundraiser. This great new item is unique in that instead of discount coupons, it will be a check book full of gift checks to local business. The check will be the equivalent of cash. While these will cost a little more than Entertainment Books, they will have much more value to our parents. Order forms will be sent home with each student the 1st week of school with a list of all participating merchants and the values. Please consider selling these to your friends, neighbors and co-workers to help support our schools.

District 41 PTO Cookbook

We are putting together an exciting cookbook featuring favorite recipes from families of students and staff throughout our school district. Share your treasured and favorite recipes on a recipe sheet or enter them online to be considered for printing. The book will be professionally published and contain special pages of interest, an index and helpful cooking hints.

We need appetizers, soups, salads, vegetables, side dishes, breads, main dishes, desserts and beverages. With your help we can have a truly amazing cookbook. Please remember, not every recipe submitted will be able to be printed. There are often many variations of the same recipe. The cookbook committee will carefully choose recipes that offer the most well-rounded book.

Be a part of the fun! Join the cookbook committee.

Please contact Anita Ryan (847)265-1141

anitapto@yahoo.com or Sandy Schneider (847)245-4197 schneiders046@comcast.net if interested.

Fund Raising

We know it seems like there are an awful lot of fund raisers each year that we do especially with economic times as tough as they are. Please know that we do not expect parents to participate in all or even most. We try to provide a wide variety of things to do and many are done more as a service to parents (such as spirit wear, book fairs and school pictures) than as a fund raiser. Please participate at whatever level you are comfortable with. Even the smallest things, such as box tops can make a huge difference when done as a community. Thank you for all your support this year.
